2022 Progyny Webinar Calendar

1/26 Webinar: [Family Building and Your Progyny Benefit 101](#)

Register to learn more about different ways to build your family through assisted reproductive technology (ART), how the Progyny benefit works, and frequently asked questions for anyone who's about to start or continue their family building journey.

3/23 Webinar: [Navigating the Different Ways to Adopt](#)

The adoption process can be complex, and there are many different paths to adoption. Register to learn about the adoption process, including, domestic infant adoption, foster care adoption, and international adoption.

4/27 Webinar: [How Your Village Can Support You in a Family Building Journey](#)

They say it takes a village - especially when going through a family building journey. Register to learn the different ways your village can support you, ways to express what you need and don't need, and how to keep your village close.

5/18 Webinar: [Your Mental Health: Time to Give Yourself a Break](#)

In a family building journey, sometimes we focus too much on the physical and forget to check in on how we're doing mentally. Register to learn why breaks are necessary, how to recognize burnout, and what you can do to give yourself a break.

6/22 Webinar: [LGBTQ+ Family Building: Surrogacy 101](#)

Register to learn more about surrogacy as we debunk myths and answer frequently asked questions. This webinar is being held in honor of Pride month but is open to anyone who wants to learn more about the surrogacy process.

9/21 Webinar: [Infertility in the Hispanic and Latin American Community](#)

Register to learn more about the myths and truths of infertility in the Hispanic and Latin American community, the common health conditions that are more prevalent in the Hispanic and Latin American community, and how to find support.

10/19 Webinar: [Post Miscarriage: When Will it Be Okay?](#)

A pregnancy loss is a physical and emotional rollercoaster, regardless of when it happens. Register to learn how to grieve and process, and ways to move forward.

Webinars may be subject to change

Fertility Education Topics

Inclusive Family Building

Progyny is committed to supporting LGBTQ+ couples and individuals and has created resources and communications for their family building journeys.

Education Events
