

5 reasons to get a second opinion before surgery:

#1 Ensure your diagnosis is correct

#2 Ask an expert specialist your questions

#3 Learn about alternative treatments to surgery

#4 If your health changed since planning surgery

#5 Get peace of mind that you're on the right path

We have an extensive network of doctors across hundreds of subspecialties and thousands of conditions, including back, knee, shoulder and hip conditions, cancer, heart disease, stroke, digestive problems, immunological disorders, women's and men's health, mental health concerns, and more.

CALL 911 IMMEDIATELY IF YOU ARE HAVING A MEDICAL EMERGENCY. 2nd.MD is not an emergency service. 2nd.MD is an independent resource to support you in receiving information from Expert Medical Specialists. 2nd.MD does not practice medicine or provide patient care and is independent from the Specialists providing the expert medical consultations.

24-544f

How it works

- Talk with a 2nd.MD nurse about getting a second opinion.
- We'll gather your medical records and connect you with a board-certified, expert specialist for a consultation by phone or video from the comfort of home.
- Whether it's a new or existing diagnosis, upcoming surgery or other healthcare decision, we're here for you.
- This service is free and 100% confidential.

No travel. No hassle. No cost.

Who is eligible?

2nd.MD is confidential, fast and no additional cost to you and your eligible dependents.
