*Percentages indicate what you pay **If more than one person is covered in the Low Plan with HSA, the full family deductible must be met before benefits are paid.

¹ All out-of-network benefits are subject to balance billing. If there is a discrepancy between the information here and the plan document, the plan document governs.

This chart does not describe all plan exclusions or limitations. **For services shown above with coinsurance, this is applied after the deductible. The only exception is with the prescription plans.**

** Specialty medications included on the SaveOnSP drug list may be filled through the SaveOnSP program at significant cost savings to you. Please note that manufacturer assistance for the drugs on the SaveOnSP list requires program enrollment and will not be used to satisfy the deductible and out-of-pocket maximum
